Four Power Meeting Longest In History

U. S. Confers With Stalin For 5 Hours

Moscow, Tuesday, Aug. 24.—(AP)—Continuance of the four-power talks on blocked Berlin seemed assured early today after envoys of the three western powers conferred nearly five hours with Prime Minister Stalin and Soviet Foreign Minister V. M. Molotov.

As U. S. Ambassador Walter Bedell Smith returned to his embassy at 1:40 a. m., he told newsmen he expects "more meetings" between the representatives of the United States, Britain and France and the Soviet leaders.

The meeting opened in the Kremlin at 9 o'clock last night and was believed to have been the longest talk Stalin ever has had with foreign representatives. It exceeded by about one hour the longest previous session in the current Kremlin talks which began July 31.

Asked by newsmen about the progress of the talks, Smith replied: "We're always optimistic. We expect the best and prepare for the worst."

This comment from Smith seemed to indicate that the long session with Stalin had injected new life into the four-power conference and that, contrary to expectations, it will continue.

Before the meeting opened last night observers predicted freely, here and abroad, that this was to have been the last conference.

Smith appeared in a happy mood. This comment on being optimistic contrasted with the "no comment" reply he has given to newsmen after previous meetings.

Many observers in Moscow frankly expected disagreement tonight over the vital Berlin and German issues. It became clear, however, after this meeting that there remains a good chance to settle the German issues here in Moscow.

During the long session, it was reported without confirmation that Smith and British representative Frank Roberts were planning to leave Moscow soon—Roberts possibly within the next 24 hours. After the session, however, it was presumed both envoys had cancelled such plans.

Evicted Chicago Tenant Stabs, Kills Landlord

Chicago, Aug. 23.—(AP)—Deprived of a home by eviction, a 40-year-old janitor today seized a souvenir World War I bayonet and killed his landlord.

The landlord who was stabbed three times in the abdomen with the 17-inch blade was Frederick Kuehn, 63.

Locked up without charge was Robert Barr who had just been served with an eviction notice by Municipal Court bailiffs.

Police Capt. LeRoy Steffens said that Angelo Gazzola, one of the bailiffs, related to him that he followed Barr out of the apartment after the janitor-tenant had seized the bayonet. Gazzola's statement said Barr dashed across the street where Kuehn stood waiting to see the outcome of the eviction proceedings.

Steffens said Gazzola told him Barr drove the blade into Kuehn's stomach, drew it out and plunged it in again and again until the bailiff overpowered him.

Steffens said Barr had admitted the killing orally and related that Kuehn had fired him as janitor last March after the boiler room of the apartment building flooded. He said eviction proceedings began shortly after he lost his job.

Louise Overell Will Be Married

Los Angeles, Aug. 23.—(AP)—Beulah Louise Overell, 19-year-old heiress, will marry a Los Angeles policeman next May or June.

Miss Overell, acquitted with a former fiancée of murder charges in the yacht blast deaths of her parents, yesterday disclosed her engagement to Robert Cannon, 28, former air force gunnery instructor and a radio patrolman for the past two years. He formerly lived in Omaha, N.D.

"This is the real thing," Miss Overell remarked. "I love Bob very much. He has a terrific sense of humor."

"LIGHT" AND "DARK" MOONS

The terms "light of the moon" and "dark of the moon" have no scientific significance. "Light moon," according to the more popular conception, is the phase between new moon and full moon, while "dark moon" is that period between full and new.

Army, Navy, Air Corps To Combine Forces

Washington, Aug. 23.—(AP)—Integration of the army, navy and air force moved one step closer today—on paper at least—with an agreement that each must call on the other for help if that will cut costs and do a better job.

At the same time it was agreed that each service shall have the responsibility of figuring out what is needed for a task in its primary field.

The net effect apparently is that when one of the fighting arms has a big job on hand it will get along better with the high command if it gives full consideration to the equipment and know-how the other services possess, and invites aid if it would be useful; on the other hand none of the services can elbow into another's field without a bid.

That was the principal reason announced today by Secretary of Defense Forrestal after a closely guarded weekend conference with top men of all three services at the Naval War College at Newport, R. I.

As Forrestal stated it more formally, the joint chiefs of staff and

the civilian heads of the three fighting departments agreed on "the fullest consideration and use of any available forces, regardless of service, if they add to the effectiveness and economy of the operations."

At the same time it was provided that "each service has full and undivided responsibility and commensurate authority in the field of the primary functions assigned to it."

Just what the operating result will be with regard to strategic bombing, focus of an air force-navy disagreement, was not spelled out.

Missouri Court To Decide Fate Of Progressives

Jefferson City, Mo., Aug. 23.—(AP)—The Missouri Supreme court will decide tomorrow whether to rule on the legality of having Henry A. Wallace on the state's general election ballot.

The court decided today to hear arguments tomorrow morning (9:30 a.m.) on whether to take jurisdiction in the case.

Secretary of State Edgar C. Nelson ruled the Progressive party's candidates for president and vice president off the ballot Saturday. If the court does decide to consider the party's appeal from his ruling, it will then hear arguments on the merits of the case.

The address of a series to be made throughout the country with the Republican-dominated 80th Congress as the principal target.

Reporters following the presidential yacht aboard this chartered vessel got news of Mr. Truman's activity by ship telephone from presidential secretary Charles G. Ross aboard the Williamsburg. Ross said the President began "putting his thoughts for his campaign speeches down on paper" for the first time this morning.

Mr. Truman will talk from liberal notes, rather than a prepared manuscript, in his Detroit speech and four other Michigan addresses Labor Day. The other talks will be made in Grand Rapids, Pontiac, Flint and Lansing. All the speeches were covered in today's meeting at which the President consulted Ross, Clark M. Clifford, his special counsel and presidential assistant John R. Steelman.

Talking with reporters aboard the Williamsburg, Ross said the President "is having a very good time."

Babe Ruth Leaves Ten Percent Of Estate To Kids

New York, Aug. 23.—(AP)—Babe Ruth set aside part of his estate to be used for "the interests of the kids of America" he will showed today.

The will provided for the home run king's widow and daughters and left 10 per cent of the remainder for "the kids."

It was filed in surrogate's court for probate today.

Ruth's attorney, Melvyn G. Lowenstein, declined to estimate the total value of the estate.

The will was dated Aug. 9, week before the baseball idol's death, as he was losing his battle with cancer in Memorial hospital.

In it he provided for his wife, Mrs. Clara Mae Ruth, and his two adopted daughters, Mrs. Julia Ruth Flanders, North Conway, N. H., and Mrs. Dorothy Ruth Sullivan, New York City.

After Mrs. Ruth's death, one-tenth of the residue of the estate will go to "The Babe Ruth Foundation, Inc., a corporation organized under the membership corporations law of the State of New York and dedicated to the interests of the kids of America."

EGYPTIAN COMMANDER KILLED IN JERUSALEM

Cairo, Aug. 23.—(AP)—Lt. Col. Ahmed Abdel Aziz, commander of Egyptian troops in Jerusalem, has been killed, the Egyptian defense ministry said tonight. It did not give any details.

An announcement said King Farouk, "deeply affected by the loss of this hero," has conferred posthumously on Abdel Aziz the rank of colonel and title of Bey.

"BE PREPARED"

Argmore, Okla., Aug. 23.—(AP)—A burglar broke into an army-navy surplus store here yesterday while thermometers were registering 103.

Progressives Strike Back At Illinois Demos

Chicago, Aug. 23.—(AP)—The state director of the Progressive party declared today that Democratic objections to his party's place on the Nov. 2 election ballot on grounds of "Communism and fraud" were "irresponsible and vicious."

William Miller, state Progressive party director, said in a statement that the "charges of Communism leveled against the Progressive party by Illinois Democratic bosses were a new low in vicious and irresponsible political campaigning."

Miller said he "welcomed the opportunity for a complete check of the signatures on the Progressive party petitions, which the Democrats claim were secured through fraudulent means."

The objections were filed Saturday, just before the official deadline. The five objectors contended the nominating petitions do not meet the legal requirement of at least 200 county signatures from each of 50 counties.

Another point raised by the objectors was that the Progressive party could not get on the ballot because of a state law denying ballot recognition to organizations associated with Communism, Fascism or other un-American principles.

The objectors also charged that many of the petitions contained forged signatures, that some signers were not Illinois residents and that some signatures were those of persons not registered as voters.

Had 75,368 Signatures
The Progressives said their petitions contained 75,368 valid signatures, three times the minimum requirement.

The State Electoral Board is to air the objections Friday. Two Democrats and one Republican comprise the State Electoral Board. Members of the board are State Auditor Arthur C. Lueder, a Republican who is not seeking reelection; Secretary of State Edward J. Barrett, a Democrat, who has no Progressive opposition in the coming election; and Francis S. Wilson, Chicago, senior justice of the Illinois Supreme court, a Democrat.

The objections were filed by Don Forsyth of Springfield, former state automobile department supervisor; Albert M. Carter of Munciphsboro; Albert Hays of Kewanee; John R. Burke of Pontiac, and A. E. Moberg of East St. Louis. The latter four are associated with veterans groups.

Forsyth was a state employee under the late Democratic Secretary of State Edward J. Hughes.

The fund comes from the 11 per cent excise tax paid by the manufacturers of sporting arms and ammunition. The money is apportioned to the states under terms of the Pittman-Robertson Act.

The states, in order to claim their allotments for the fiscal year 1949 which began July 1, must sweeten the total with \$3,393,540, or 25 per cent of the entire cost.

Expect 15,000 At State Farm Sport Festival This Week

Chicago — Some 15,000 to 20,000 farm folks from all parts of Illinois will head for the University of Illinois campus Thursday and Friday, Aug. 26-27, for the ninth annual Illinois Farm Sports Festival. Of that number, 5,000 will be contestants who will compete for honors in sports and festival events ranging from woodchopping to barber shop quartet singing. The rest of the attendance will be made up of folks who will be on hand to cheer their county favorites and take a little relaxation from their farm chores.

Roy P. Johnson, director of special services for the Illinois Agricultural Association, one of the sponsors of the festival, reports that so far, competition alone will account for 1500 of the participants. There are 152 softball teams from 58 counties that will compete for state titles in seven divisions. These are teams that won out in district competition that drew 400 teams.

Folk festival events, which include folk square dancing, ballad singing, choruses, instrumental groups and bands, will have more than 1000 participants from some 35 to 40 counties. More than 2000 participants in district contests to determine entrants for the state festival.

Some 326 bowlers from 45 counties, who were winners among the 1300 from 72 counties participating in district contests, will compete for state titles Thursday and Friday.

Three entertainment programs are scheduled for Thursday night, Aug. 26, on the U. of I. campus. This includes a swing festival in Huff gym, a square dance jamboree in the lower gym of the Women's building, and a musical review on the university auditorium terrace. Participating in the latter will be numbers selected from the folk festival competition.

The governor's program event will be the awards program in Memorial Stadium Friday afternoon, at which a Queen of Sports will be crowned, and trophies presented to the top scoring county in sports and in folk festival events for each of the 16 districts of competition.

Russians Free Americans; Again Invade U. S. Zone

Illinois Central Railroad Appeals To Federal Court

Chicago, Aug. 23.—(AP)—The Illinois Central railroad today asked the Federal court to rule that conductors and trainmen are not entitled to extra compensation for coupling and uncoupling steam and air hose.

The suit, filed against the Brotherhood of Railroad Trainmen, the Order of Railway Conductors of America and officers of the unions, asked that the court declare invalid \$300,000 in claims for additional pay for coupling chores.

The railroad's complaint stated that in 1911 the railroad and the two unions agreed that "trainmen (including conductors) will not be required to couple or uncouple air or steam hose where carmen are employed."

However, the suit said, until 1943, trainmen and conductors had coupled and uncoupled hose without extra compensation even when carmen were on duty but not immediately available. Since July 1, 1943, the complaint said, conductors and trainmen have failed claims for an extra day's compensation even when they may have coupled only one hose during the day.

Unprecedented Sum Allocated For Wild Life

Washington, Aug. 23.—(AP)—The Interior Department set aside \$10,780,620 today for use as federal aid by the states in wildlife conservation before July 1, 1949.

This is the largest such sum, by \$2,500,000 over appropriated for this purpose.

"It should provide the states with an opportunity to expand their development of wildlife resources beyond anything yet attempted," Robert M. Rutherford, chief of interior's division of federal-aid in wildlife preservation, told a reporter.

The fund comes from the 11 per cent excise tax paid by the manufacturers of sporting arms and ammunition. The money is apportioned to the states under terms of the Pittman-Robertson Act.

The states, in order to claim their allotments for the fiscal year 1949 which began July 1, must sweeten the total with \$3,393,540, or 25 per cent of the entire cost.

Auto Makers Worried Over Steel Strikes

Detroit, Aug. 23.—(AP)—Uncertainties about steel and sub-assemblies continue to worry the nation's auto makers but they still may build 5,000,000 vehicles this year.

Right now Hudson is in the fourth week of a shutdown growing out of a prolonged strike in the plant of a foundry that supplied most of its castings. Chrysler, depending on the same supplier, has managed to keep going despite the strike.

But the industry can absorb some further interruptions so output and still make enough vehicles during the next four months to take the year's total above the 5,000,000 mark. Indications now are that new model work planned for the remainder of this year will not seriously curtail output volume.

Chevrolet and Plymouth, largest of the volume producers now planning 1949 models, probably will bring them out after January 1. Both will try to cut down the switch-over production loss to a minimum.

The arrest of Mrs. Kate Goad, 72, and her daughter, Mrs. Katherine Lee, 34, was reported Saturday night by County Attorney William H. Natcher.

Natcher said the murder charges were filed in connection with the poison deaths of the younger woman's husband, Allie S. Lee, 42, and a neighbor, James A. Croslin, 52.

The two men died Saturday night, Aug. 21, Natcher said, adding "evidence conclusively shows the men were poisoned from contents of meals they ate that night at Lee's home."

Natcher said he believes strychnine was administered in buttermilk the men drank about three hours before their deaths.

Hold Grandmother And Daughter In 2 Poison Deaths

Bowling Green, Ky., Aug. 23.—(AP)—A 72-year-old grandmother and her daughter will be arraigned in court here tomorrow on double murder charges in the poison deaths of two men.

The arrest of Mrs. Kate Goad, 72, and her daughter, Mrs. Katherine Lee, 34, was reported Saturday night by County Attorney William H. Natcher.

Natcher said the murder charges were filed in connection with the poison deaths of the younger woman's husband, Allie S. Lee, 42, and a neighbor, James A. Croslin, 52.

U. S. Production Soars To Record High This Year

Washington, Aug. 23.—(AP)—America's total production of goods and services soared to a record rate of \$248,000,000,000 a year in the second quarter of 1948, the Commerce Department announced today.

The increase above earlier months indicates that if the rise continued the nation now is producing at an annual rate of a quarter of a trillion dollars.

The analysis of output in the quarter ended June 30 appears in the August issue of the department's survey of current business. It covers the "gross national product"—the dollar value of all commodities produced and services rendered.

The second quarter rate is more than 21 per cent higher than the 1946 actual output of \$204,000,000,000. It represents a rise of \$44,000,000,000 from the first quarter of this year.

Slight Decline In June
It was achieved in spite of a slight decline of industrial output in June, resulting from shortages of material. This was reported by the department yesterday.

A major part of the rise, however, was a reflection of inflation. This was particularly true in consumer goods, where the physical gain in output did not match the rise in value.

Disposable income—the share of income left for spending after taxes—was boosted in May by the federal income tax reduction. The department estimated this gave consumers an added \$3,000,000,000 annually to spend, while maintaining savings at a rate just higher than that of the first quarter of the year.

St. Louis Woman
Fatally Shot
On Boating Trip

St. Charles, Mo., Aug. 23.—(AP)—Miss Catherine A. Richards of St. Louis was accidentally shot to death early today after she and two companions in a boating trip had been marooned all night on the St. Charles side of the Missouri river.

County authorities said they were given this account of the accident: Marion D. Hutchinson of Clayton, Mo., was firing his 22-caliber rifle to attract the attention of a passing government towboat when Miss Richards, 23, suddenly stood up. A bullet struck her under the left eye.

Hutchinson made his way to a farm home to report the accident. Miss Richards was pronounced dead upon arrival at a hospital here.

The St. Charles county coroner ordered Hutchinson released without charge. An inquest was scheduled for tomorrow night.

Miss Richards, daughter of Mr. and Mrs. Clifford J. Richards of Nashville, Ill., was enrolled in a special veterans' program at Washington University in St. Louis. She was a former member of the U.S. Coast Guard Women's Reserve.

International Company Would Limit Picketing

Chicago, Aug. 23.—(AP)—The International Harvester company today sought an injunction to limit picketing at its Melrose Park, Ill., plant against Local 6 of the CIO United Automobile Workers.

This is one of the plants strike-bound in six cities in a dispute over arbitration, grievances, and apprenticeship procedures. The strike began a week ago when last-minute negotiations ended fruitlessly. The company failed its injunction suit in Circuit Court. It charged the union with forcibly preventing employees from entering the Melrose Park plant.

Meanwhile no progress was reported in negotiations aimed at ending the strike. Some 74,000 workers have left their jobs in Fort Wayne, Evansville, and Indianapolis, Ind.; Melrose Park; Memphis, Tenn.; and Springfield, Ohio.

Expelled Russian Official Books Passage For Home

New York, Aug. 23.—(AP)—Jacob M. Lomakin, Soviet consul general, expelled by the State Department, booked passage on the liner Stockholm about six weeks ago, a Swedish-American line official said today.

The ship is scheduled to sail next Saturday for Gothenburg, Sweden. Lomakin's recall was demanded last week by the State Department which accused him of "improper conduct" in connection with the case of Mrs. Oksana Kasenkina, Soviet school teacher who leaped from the third floor of the Russian consulate here.

Lomakin, his wife and their two children will occupy a \$4,000 suite on the Stockholm, the line official said. Meanwhile, the injured teacher continued to improve at Roosevelt hospital.

METROPOLITAN OPERA TO HAVE '48 SEASON

New York, Aug. 23.—(AP)—There will be a 1948 season at the Metropolitan Opera, the chairman of the opera association's board announced today.

George A. Sloan, the chairman, made the announcement after a meeting with representatives of 12 unions whose members work at the opera.

The name "trade winds" has no connection with trading, according to the Encyclopedia Britannica. The word "trade" once meant "tread" or "path," and applied to the regular course of the winds.

Release Three U. S. Citizens; Jail German

Berlin, Aug. 23.—(AP)—The Russians today freed three Americans but almost immediately stirred new tension in blocked Berlin by again invading the American sector to seize a German photographer.

Thomas P. Headen, deputy chief of the American military government's Information Services Division, was released after overnight detention in the Russian sector of Berlin.

Two other Americans seized Aug. 5 near the Russian zonal border 7 1/2 miles west of Frankfurt, were released at Herzfeld on the border today. Lt. Sherman S. Turner of Council Bluffs, Iowa, and Rowland M. Myers of Brooklyn, N. Y., both U. S. military government officials said they were "well treated—if you like cabbage."

Kidnap German Photographer
The kidnapping of the German photographer emphasized anew the Soviet determination to prevent picture-taking in or near their sector. Headen had been taking pictures of the Berlin "no man's land" of Potsdamer Platz shortly before a Russian patrol pounced on him.

The seizure of the photographer was at least the fourth violation of western sector jurisdiction since last Thursday when a Russian raid on German civilians in the Potsdamer Platz precipitated a riot by the angry stone-throwing Germans.

Western sector police headquarters announced meanwhile that Franz Erdmann, head of the criminal division of the Soviet-controlled police, had been released. He was arrested yesterday in the British sector.

"Glad To Be Back"
Headen, 45-year-old former New York and Kansas City newspaperman, was turned over to U. S. liaison officers today.

He said he was "glad to be back" and I certainly don't want to have any part of that any more." He said the Russians had returned the camera he had with him when he was yanked into a Russian jeep while his wife and two young children stood by helplessly.

Headen related his experiences with his Soviet jailers as follows: "I was put in a cell with a three-tiered wooden bunk with a raised end as a pillow. The cell was clean but poorly lighted. I was told I would have to follow the usual rule for inmates, namely that I could not lie down between 5 a.m. and 11 p.m.

Fed Twice On Beans
"I was fed twice. Once last night when I received peans, potato soup, black bread and cheese, and again this morning when they gave me a mess.

"This morning I was handed a broom and told to sweep the cell clean. I did. Later they gave me a mop to scrub it but I did not do it."

He said he was interviewed by a Russian lieutenant colonel who was very courteous and "gave me sort of an apology and said he was surprised nobody realized last night I was an American official."

The colonel added that "if our men made a mistake they will be reprimanded."

A. F. Of L. Desires Conference To Halt High Prices

Chicago, Aug. 23.—(AP)—The American Federation of Labor today asked the government "to request business and agriculture to join with organized labor in a series of conferences to work out a voluntary program" to combat inflation and high prices.

The federation's executive council opened its quarterly session here today with William Green, AFL president and council chairman, in charge of the parley.

Green said at a Press conference that if such business-agriculture-labor conferences can be arranged, "we may find a plan whereby we can stop inflation and reduce prices."

"We might even induce employers to accept less profits," Green added. "Reports and surveys from our research department show that prices have risen out of proportion to wage increases."

Green said the council was suggesting the "voluntary" program, "because Congress took no action to stop inflation."

Green said the council did not discuss politics at today's session. He said the matter will be considered at a special meeting of the council Wednesday with the top strategy committee of the federation's labor league for political education.

HEAT WAVE ENVELOPES NATION; MERC. SOARS

Chicago, Aug. 23.—(AP)—The first sustained heat wave of the summer sent the mercury close to the top of thermometers over the nation today.

The weather bureau in Chicago reported temperatures ranging between 95 and 100 degrees from South Dakota and Minnesota south to the Gulf of Mexico. Some coyness prevailed along both seacoasts and in Montana.

Virtually no rainfall was recorded. "It's good for the corn," the forecaster observed. "It's really our first sustained heat wave."

FINED FOR TAX EVASION

Indianapolis, Aug. 23.—(AP)—Federal Judge Walter C. Lindsey today imposed prison sentences of five fiscal years each on a former Indiana state senator and two Lake county liquor dealers charged with income tax evasion. Each man also was fined \$20,000.

THE NEWS THAT HAS US ALL CONFUSED

Assorted pundits have been telling us for years that we are living in an age of doubt and confusion. They were probably right all along. But certainly the last week or so has compounded standard doubt and everyday confusion to a point where people can be for given for double checking on their own names.

It's bad enough to sit around gnawing your fingernails over the Berlin crisis, and the difficulty of putting meat on your table. But when you add to these ponderables some of the past days' extra contradictions, you're likely to find yourself looking over your shoulder for the little people who aren't there.

Take the budget, for instance. President Truman came up with a revised estimate and said that, thanks to the tax-cutting Republican Congress, we'd wind up the fiscal year with a deficit of \$1,500,000,000. Nonsense, said some Republican congressmen. If the President would stop counting some appropriation chickens that Congress won't hatch and take \$3,000,000,000 for foreign aid out of last year's surplus, he'd find that we are going to wind up the year with a surplus of \$1,500,000,000.

Then of course there are Messrs. Whittaker Chambers and Alger Hiss. Mr. Chambers told the Thomas Committee that Mr. Hiss was a busy borer from within in the prewar "Communist underground," and that he had visited Mr. Hiss and pleaded with him to break away from the Communist Party. Mr. Hiss told the Thomas Committee that he had known Mr. Chambers some 13 years ago as a Mr. Crosley and had sublet him an apartment.

There is a similar confusion surrounding the testimony of Elizabeth T. Bentley before the same committee. She put the finger on various government employees who, she said, had given her secret and valuable information for the Soviets. Some of the accused also said they didn't know Miss Bentley and had never seen her. Others said they would stand on their constitutional rights and say nothing.

Likewise we have the case of Mrs. Kosenkina, the Soviet school teacher. This is the prize bloom in our bouquet of confusion. There were, at last count, three different "official" Soviet versions of the unfortunate woman's leap. The only point of similarity in them is that Mrs. Kosenkina did drop from a third-floor window to the courtyard below.

There may be some comfort, though little enlightenment, in the thought that the President and the Congress may be making honest mistakes in billion-dollar bookkeeping. And there may be enlightenment, though little comfort, in the knowledge that Soviet policy often cuts the fact to fit the propaganda pattern. But it is something else again when two intelligent and educated men like Mr. Chambers and Mr. Hiss, both holding positions of distinction and responsibility, tell stories that brand one or the other of them as an unmitigated liar.

Life, we feel, was a lot pleasanter in the earlier era of this age of doubt and confusion when the government's whole budget wasn't much bigger than the disputed surplus or deficit, and when the fear of eternal hellfire and brimstone hung over the head of anyone who lied under oath.

LUXURY, YET!

Sometimes terminology hurts even more than taxes. For example, you go and buy an alarm clock to jangle intrusively upon your sweet slumber and tear you all too soon from a warm bed to cold reality. And what do you pay in addition to the list price? Twenty per cent worth of "luxury" tax!

NOW! WORKLESS WASHING FITS YOUR BUDGET!

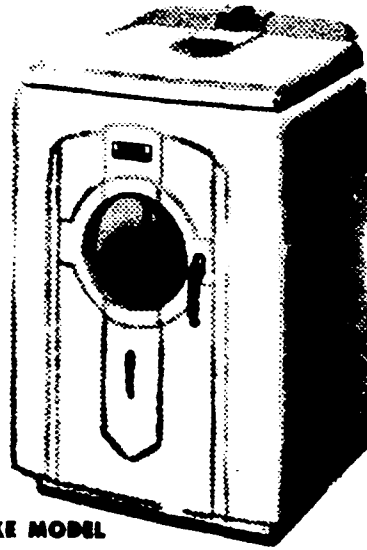

Why struggle through another washday when just a few dollars down puts a Bendix in your house NOW! Real freedom on all your washdays... with months and months to pay the balance! Ask about these new easy terms today. Come in or telephone... and never spend a washday over steamy tubs or down in the basement again!

BENDIX automatic Washer

Does your wash... AN by itself!

COSTS UP TO \$90 LESS than other automatic washers!

All you do is set the dial and put in soap. Then, with no more help from you the Bendix fills itself with water... washes clothes... changes its own water... rinses 3 times... damp-dries clothes... cleans itself... drains itself... shuts itself off. You don't even have to be there! And you'll be amazed at how sparkling clean the Bendix washes... with so little water and soap! No agitator wear and tear either... the Bendix saves your clothes, too!

ALL THAT WAS LEFT OF DEATH CAR

Tangled wreckage was all that remained of a 1935 Ford car in which Harold Leroy Young was killed, and his brother John Young was badly injured, when it struck the rear of a transport truck near Orleans early Sunday morning. The photograph was taken in front of the Lukeman Motor Company garage after the demolished car was towed to the city. The car was originally a coupe, from which the top had been removed. Both young men were hurled from the car to the pavement. The truck belonging to Freightways, Inc., was only slightly damaged.

Need More Cars For Baseball Trip To St. Louis

John Bellatti, chairman of "Jacksonville Day" for the Junior Chamber of Commerce, has issued a plea for more cars. Next Thursday, 27 Jacksonville area children will load at the Academy lot at 9:30 a.m. (daylight time) and go to St. Louis to watch the Cardinals and Giants slug it out.

But, as Mr. Bellatti points out, thus far only 31 cars have been registered. By crowding and cramming, 158 children can see the game. "One hundred nineteen children will have to be turned away unless we get additional cars."

Bellatti went on to say that the Junior Chamber of Commerce expected car owners in Jacksonville to respond generously; and that he fully expects to take all of the children who have signed for the game.

Car owners will drive to St. Louis in convoy and will be under police escort from the time they leave Jacksonville until they arrive at Sportsman's park.

There will be free transportation across the Mississippi river. All drivers will be given a ticket to the big game. And it is expected that there will be some free parking space in the general area of Sportsman's park.

Car owners who wish to register their cars should either call into the Journal Courier or come in personally and sign up. There are no prescribed hours for registering. Bellatti stated that the Junior Chamber of Commerce should have necessary transportation as soon as possible, preferably by Wednesday noon.

Harold Young Killed In Highway Accident; Brother Is Injured

Harold Leroy Young, 25 years old, was killed instantly at 5:30 a. m. Sunday when the automobile he was driving hit the rear end of a transport truck one-fourth mile east of Orleans on U. S. Route 36.

His brother, John Young, 21, with whom he was returning from an all night trip to Springfield, was injured. Despite shock and extensive cuts and bruises, it is believed he will recover. The Young brothers are sons of Mrs. Ora Mae Young, 324 Madison street, and Roy Elmer Young of Alton.

Harold Young's skull was crushed by the impact of the 1935 Ford coupe against the rear of a Freightway, Inc., truck loaded with bar candy. He also sustained injuries to his side, and his right arm was broken. Either the skull fracture or internal injuries would have produced death, officials said.

Contradictory evidence as to what might have caused the tragedy was introduced at the inquest Sunday night at the Williamson Funeral Home.

Claims Truck In Motion
Edwin Gumm of Wichita, Kansas, driver of the transport which was enroute from Chicago to Kansas City, said in a written statement that his vehicle was moving at a speed of 20 or 25 miles per hour. The truck was displaying a full set of lights, he testified.

John Young, lying injured in Passavant hospital, told Coroner C. S. Young and his shorthand stenographer that the truck was parked motionless on the pavement and that it had no lights and flares.

The coroner's jury was puzzled by conflicting evidence of this kind, but confined its duties merely to determining the cause of death—accidental injuries from an automobile and truck collision. The jury of three men and three women did not attempt to fix blame for the crash.

The collision occurred just at day-break Sunday almost directly in front of the home of Mr. and Mrs. Roy Davenport, east of Orleans.

Drivers Make Statements
Because of the perishable nature of cargoes on the trucks involved in the case, Coroner Young took written statements from the drivers and permitted to go on to their destinations. Statements of several witnesses including the injured youth at the hospital were taken by Mrs. Elwood Stromwalt, stenographer.

Gumm, driver of the truck struck by the Young car, said he was driving between 20 and 25 miles per hour, preparing to turn off the highway in front of another Freightway, Inc., truck which had pulled off the pavement. Gumm said his lights were all displayed, although it was beginning to get light.

He testified that he did not see any lights in his rear view mirror, and did not believe the automobile had lights. Gumm said he felt a jar as though the truck had struck something rough in the road. He looked back and saw the automobile make one complete roll.

The truck driver said the car carrying the Young brothers hit the left rear tire, after which it overturned. The truck was only slightly damaged.

First Driver Had Stopped
Similar testimony was given in writing by Richard P. Munkirs of Wichita, Kansas, who was ahead of Gumm in another truck. Munkirs said he believed a coupling hose on his truck was broken, and pulled off the pavement. He signaled Gumm's truck by blinking his lights, and Munkirs said Gumm was slowing

up to stop, but was still in motion. The second driver also said he did not see lights on the Young car.

The third witness who was near the scene of the accident, Charles H. Robbins of 413 East Jefferson street, Springfield, said he was enroute to Missouri with an iron lung in a truck. Robbins testified the Young car was traveling "about 60 miles an hour" just before it crashed against the truck.

The Springfield man said he stopped immediately and heard John Young say "I shouldn't have let him drive, he was drinking too much."

James Howard, Lifelong Greene Co. Man, Dies

White Hall.—James Howard, 84-year-old retired farmer, died at 6 p.m. Sunday at his home in Walker-ville. He had been a Greene county resident all his life.

He was married to Lillie Tatman 61 years ago this month, and of this union five children were born, three of them surviving.

Surviving him are his wife, Lillie, of Walker-ville, two sons, Claude and Lloyd of White Hall, and one daughter, Mrs. Charles Ewert of White Hall; nine grandchildren and three great-grandchildren.

The body was taken to the Dawdy Funeral Home in White Hall and later removed to the residence of his son Lloyd Howard. Funeral services

Carburetor Too Rich Makes Motorists Too Poor

Car owners who are wasting money and not getting proper gas mileage due to over-rich mixtures will be pleased to learn of a Wisconsin inventor who has developed a very clever unit that helps save gasoline by "Vacu-mating." It is automatic and operates on the super-charge principle. Easy installed in a few minutes. Fits all cars, trucks, tractors. The manufacturers, the Vacu-matic Carburetor Co., 7617-532D St. St., Wauwatosa, Wis. are offering Vacu-matic to anyone who will install it on his car and help introduce it to others. They will gladly send full free particulars if you write them or just send your name and address on a penny post card today. (adv.)

Cornelia Overton
To Wed J. Ryall

Dr. and Mrs. A. E. Cruthirds of Phoenix, Arizona, have announced the approaching wedding of their daughter, Cornelia Ames Overton, to James Ryall, which will take place September 8 in the Trinity Episcopal cathedral in Phoenix.

Mrs. Cruthirds is the former Isabel Ames, daughter of the late Professor John Griffith Ames of this city.

Evelyn Mansfield Is
Bride Of Paul AndrasWedding Takes
Place At Grace
Church Sunday

Grace Methodist church was the scene of a pretty wedding Sunday afternoon when Miss Evelyn Mansfield, daughter of Mr. and Mrs. Roy Mansfield of Franklin, became the bride of Paul Andras, son of Mrs. J. C. Andras of Manchester.

Vows were exchanged in a single ring ceremony performed at 3 o'clock by the Rev. Frank Marston, pastor. Baskets of gladioli and ferns flanked by lighted tapers adorned the altar.

The maid of honor was Miss Virginia Millsbaugh of Woodson. John Andras, brother of the bridegroom, was best man. The candles were lighted before the ceremony by Miss Alberta Wise of Franklin, cousin of the bride, and Nadine Wilcox of Jacksonville.

Traditional Marches Used

Mrs. Lois Hardin sang "Because I Love You Truly" and "The Lord's Prayer." She was accompanied at the organ by Mrs. G. O. Webster.

For her marriage, the bride wore a street-length dress of petal pink. Her accessories were white and her corsage of pink gladioli. To complement this ensemble, she wore matching necklace and earrings given her by the bridegroom.

Miss Millsbaugh chose a dress of dawn blue, with which she wore white accessories. The bride's mother was attired in a dress of royal blue, place September 8 in the Trinity Episcopal cathedral in Phoenix.

Mrs. Cruthirds is the former Isabel Ames, daughter of the late Professor John Griffith Ames of this city.

Following the ceremony, the couple

left on a wedding trip to the Ozarks, after which they will go to Oklahoma. Upon returning, Mr. and Mrs. Andras will reside in Manchester, near where the groom has farming interests.

The bride was graduated from the Franklin High school. For the past year she has resided in this city while she was employed at Russell & Thompson Jewelers.

Her husband was graduated from White Hall High school and served in the armed forces for four years, a large part of which was overseas.

Funeral Rites
For Mrs. Scribner
Take Place Sunday

Funeral rites for Mrs. Nettie Scribner were held Sunday at 2 p.m. at the Litterberry Baptist church. The officiating minister was the Rev. William J. Boston.

Music for the services was furnished by Miss Wilma Crum and Mrs. Alta Fox, accompanied by Mrs. Leo Barber.

Caring for the floral tributes were Mrs. Irene Wampler, Mrs. Freda Mallicoat, Mrs. Bertha Goodpasture, Mrs. Clyde Nichols, Mrs. Paul Mason and Mrs. Albert Nicholson.

The pallbearers were Everett and Clyde Mason, Raymond and Paul Mason, Albert Nicholson and Isaac Reeves. Burial was in Arcadia cemetery.

CAR SLIGHTLY DAMAGED

The door of a Chevrolet car owned by Luther Beemer, 1340 Maple street, became ignited at 6:25 a.m. Sunday, resulting in a small fire which was extinguished by the fire department. A handpump was used to drench the blaze.

Arcadia annual burgoon and chicken fry. All day table and kettle service. Pie, cake and ice cream. Wed., Aug. 25. Entertainment afternoon and evening. Free drawing refrigerator, radio and cooker at 8 p.m. CST.

New Equipment For
Playground At Park

The playground equipment that
three generations of Jacksonville
children have played on is down.
This announcement came from Rus-
sell Kelley, superintendent of the
park board, who said that it had de-
teriorated to the extent where it was
no longer safe.

Mr. Kelley estimated that some of
the equipment is 40 years old.
The big wave-slide is gone. So are
the children's swings, and the small
straight slide.

Kelley said that various members
of the public have asked what has
happened to the playground, and if
it will be put back in shape. The
superintendent said he had re-
ceived a long distance call Mon-
day morning and that replacements
are being shipped immediately.

Some of this new equipment in-
cludes a set of six swings, for chil-
dren; a large double-chuted slide;
a small slide for tots; a medium
straight slide; and some new
streamlined slides which are equip-
ped with rubber seats.

Mr. Kelley stated that the new
playground should be in service be-
fore the end of the present park
season. "If it is not, then we shall
have it ready for the public at the
beginning of next year," the super-
intendent said.

Mr. Kelley went on to say that the
park usually closes about the first of
October, depending of course upon
the weather. "It is important that
we get everything put away by the
first frost," he concluded.

The new equipment will cost about
\$700. The playground handles from
three to five-hundred children on a
moderately heavy day.

Yields

MORE than 30 per cent aver-
age increase in crop yields
— that was the reward of 9,000
farmers recently checked on
results of their soil conservation
program. Terraces and con-
tours were responsible for much
of this extra yield. By holding
rainfall, they provided "natural
irrigation" for slopes.

Almost all crops will respond
to better moisture control. If
you have sloping fields, farm-
ing on the contour, terracing
or strip cropping almost cer-
tainly will pay you a profit.
Terracing is no longer a job for
engineers and heavy machinery.

Begin Expansion Of River Front At Meredosia

Meredosia—The hydraulic dredge, America, owned by the Grant Contracting Co., has completed the removal of approximately 25,000 yards

of material from the channel of the Illinois river between the highway and railroad bridges here. The material removed has been dumped onto the ground between the A. E. Chrisman Grain Co. and the river and will be later leveled down, adding considerable area to the river front.

Supt. A. H. Chapman of Community, District No. 27, has announced that the registration date for the Meredosia grade and high schools will be Thursday, Aug. 26. Hours will be from 9 a.m. to 12 noon and 1 p.m. to 4 p.m. School will begin Tuesday, Sept. 7, at Arenzville and Meredosia, and all other schools will begin Wednesday, Sept. 1.

Alexander Man Suffers Wound From Stabbing

Suffering from a deep stab wound in his abdomen, Robert Flynn, 27 year old resident of the Alexander community, was admitted to Passavant hospital Sunday.

Sheriff Ralph Bourn said he was informed that Flynn was wounded with a service knife in or near a tavern at the west edge of New Berlin, sometime early Saturday morning.

The sheriff said that on request of members of Flynn's family he

went to Pleasant Plains and caused the arrest of Buford Edwards, named as Flynn's alleged assailant. Edwards was brought to the Morgan county jail, were later in the

day he was released to Sangamon county authorities. Flynn was attended at the hospital by Dr. A. G. Wolfe.

In Elizabethan England, news reporters worked exclusively for great noblemen whom they kept informed of matters of interest.

Musial And Williams Top Batting Races

New York, Aug. 23.—(P)—The sluggers are moving in on Stan Musial and may prevent the St. Louis outfielder from making an unprecedented sweep of National league batting titles.

A late surge by big Johnny Mize has moved the New York Giant first baseman into first place in driving in runs with 97. Mize batted in eight runs during the week ending Sunday to top Musial in that department by one run.

Mize also pulled ahead of the Cardinal flycatcher in homers although the New Yorker trails Pittsburgh's Ralph Kiner by one. Kiner has 32 four-baggers. Mize 31 and Musial 30.

But in the other hitting departments the story is still Musial. He picked up three points during the week to maintain his lead with a .364 average, 49 points higher than Alvin Dark, the runner-up from Boston. Dark is hitting .355.

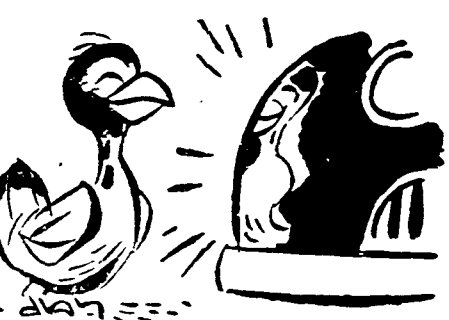

Musial continues to set the pace in runs with 105; hits with 176; doubles with 34, and triples with 13. Ashburn Leads In Thiefs

Richie Ashburn, the fleet Philadelphia rookie, fronts the base stealers with 26 and is fourth in batting with .322. Chicago's Andy Pafko remains third with .323 followed by Ashburn. Tommy Holmes, Boston, .318; Country Slaughter, St. Louis, .316; Red Watis, Chicago, .313; Sid Gordon, New York, .302; Will Marshall, New York, .298, and Mize, .297.

St. Louis' Harry Brecheen monopolizes the pitching departments. He has the best won-loss record with 13-4 for .789, and tops the strikeouts artists with 107 whiff victims.

Williams Master In A.L.

Chicago, Aug. 23.—(P)—Ted Williams' batting leadership in the American league narrowed this week although his percentage remained unchanged from last week at .377. Cleveland's manager, Lou Boudreau, gained two points on the Boston star, increasing his percentage from .361 to .363.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Aug. 23.—(P)—Livestock prices were mixed today. Hogs were steady to 50 cents lower than Friday's average. Cattle were mostly steady though variations carried lower grade steers as much as 25 cents higher. Vealers were \$1.00 lower and sheep steady to 50 cents higher.

Most good and choice butcher hogs sold from \$25.00 to \$30.50 and a top of \$30.75 for a short load. Sows fetched \$22.50 to \$28.50 and a top of \$29.00.

Good to choice steers ranged from \$33.50 to \$41.00 and a top of \$41.25 and like quality heifers from \$32.00 to \$37.75. Cows were slow and weak to 25 cents lower at \$21.00 to \$25.00 for medium and good kinds, while bulls were steady to \$24.25 and below, and vealers were \$27.00 to \$30.00 for good and choice though the practical top money was \$29.00. Stockers and feeders were steady.

Good and choice native spring lambs held to \$27.00 a hundred pounds, with no western types available. Ewes topped at \$12.00. Total receipts included 6,500 hogs, 12,000 cattle, 700 calves, and 4,600 sheep.

New York Stock Market

New York, Aug. 23.—(P)—Early downward tendencies in the stock market gained momentum later today.

Signs of weakness first became pronounced in the oil section and soon spread elsewhere. Losses ranged from fractions to more than 2 points. Turnover remained low. Sales for the full session were at the rate of around 500,000 shares, which would compare with 710,000 Friday.

Brokerage quarters suggested several reasons for selling in the oil division. They have been in the forefront of most of the market's advance for months past and hence are in a more vulnerable position than stocks which have been marked up less sharply.

Recent predictions have indicated that an anticipated oil shortage this winter might not pan out at all or might not be as bad as expected. In other words, the oil industry is narrowing the gap between record high production and record high demand.

Small declines were posted for Standard Oil (N.J.), U. S. Steel, Bethlehem Steel, General Motors, Chrysler, U. S. Rubber, Sears Roebuck, Distillers Corp., and International Telephone.

East St. Louis Livestock

National Stockyards, Ill., Aug. 23.—(P)—USDA—Hogs 6,000; barrows and gilts 180 lbs up and cows 25 to 50 higher than Friday's average; weights 170 lbs down little changed; spots 25 higher; bulk 180-260 lbs. 30.50-75; top 30.85; demand now centering on weights 200-240 lbs. Joint 265-lb hogs 30.50; very few heavier weights; 180-180 lbs. 29.50-30.25; 130-150 lbs. mostly 27.00-29.00; few 29.25; 100-120 lbs. mostly 23.50-26.00; sows 400 lbs down 26.50-27.75; 400-450 lbs. mostly 24.50-25.50; heavier kinds 23.50-23.50.

Cattle 7,500; calves 2,000; market slow in opening; very few slaughter steers, and heifers about steady; most early bids lower; cows not established; few bid about in line with late Friday; bulls barely steady; vealers 1.00 lower; few loads medium to good slaughter steers 30.00-34.00; few common and medium heifers 30.00-30.00; medium and good sausage bulls mostly 22.00-23.50; few 24.00; cutter and common 18.00-20.00; good and choice vealers 27.00-31.00; common and medium 16.00-26.00; culs down to 12.00. Sheep 3,500; few early sales spring lambs 25 lower; some bids off more; early top 27.75 sparingly; not enough done to fully establish market.

Macomb Dodgers Drop First Tourney Game

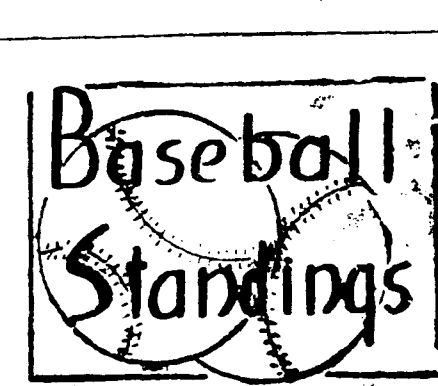

By Charles Bellatti

Macomb.—(Special)—The Macomb Dodgers, Jacksonville sectional winners, gave the famous Jim Nichols a bad time of it for a while here Sunday night. But eventually dropped their first game in the amateur softball association's state tournament 6-3 to the Decatur Moose.

Larry Horn, fine Macomb chucker, seemed a bit off top form. He allowed nine hits during the six innings which he pitched. But it was three errors by his teammates which really hurt.

The Dodgers jumped on Nichols for three runs on three hit and two errors in the fourth. But Nichols held Bert Bowman's outfit at bay the rest of the game.

VALLEY CONFERENCE FORECASTS

By John Campbell

Roodhouse and White Hall get to meet early this season with a non-conference game at Roodhouse September 24. These two Valley teams are playing again at White Hall Armistice Day in one that counts in the standings.

Carrollton plays ISD in a non-conference game while Winchester and Pittsfield play Jacksonville for opening tests. Greenfield plays Girard; Pleasant Hill goes against Louisiana, Mo.

The Roodhouse Railroaders have eleven Valley titles in 21 seasons of competition. Several Railroaders athletes have gone on to make college and university letters, including Bob Wright, Hal Wimberly, Bill Neal, and many others.

Merle Crosby, director of athletics at Robinson High, is a former Valley coach at Pleasant Hill where he coached the 1941 eleven to a championship with Roodhouse.

Zimmerman of Pittsfield will be one of the best athletes in Valley competition for the 1948-49 season as this fine Junior lad has plenty of experience and size for the tough games ahead for the Indians.

One of the finest prospects to enroll at Carrollton High from Eldred will be another Brannan. This lad can play good basketball and he is a fine 440 yard runner.

Arcadia annual burgoo and chicken fry. All day table and kettle service. Pie, cake and ice cream. Wed., Aug. 25. Entertainment afternoon and evening. Free drawing refrigerator, radio and cooker at 8 p.m. CST.

The game was played in the fast time of 54 minutes.

Line score:
Dodgers 000 300 0-3 4 3
Moose 004 101x-6 9 2

In other games Sunday Gillespie upset the Pekin Corn Products team 4-3; Alton Lulu Drugs nosed out the Quincy American Legion 1-0, and the Mt. Vernon Amvets outlasted the Canton Moose 3-2 in nine innings. Play continues Monday, Tuesday and Wednesday nights in the men's division. The girls take the diamond on Friday and Saturday nights and Sunday afternoon. Finals in both divisions will be staged next Sunday night.

The Critic Feeds of Beardstown pushed through to the championship of the West Central Illinois Invitational tournament Sunday night at Nichols park before a new capacity crowd. The championship team defeated the Carrollton Lions by a 3-1 score in a seven inning tilt which was even-stephen ball all the way through.

Boyer of Beardstown pitched bang-up ball, allowing a scant three hits. Fred Stan of Carrollton went five tight innings before he was relieved by Anderson. Stan's english had a Beardstown boys puzzled. No one could connect with a solid hit until the fifth inning.

For winning the championship, the Critics received a beautiful team trophy and each member of the team 456 received an individual award.

Highlight of the game came in the fourth inning when Connors of the Critic Feeds team drove a hard hit ball into right field. Lions fielder Mulligan came in fast and made a head-first diving catch which brought the crowd to its feet. Spectators and players agreed that it was one of the most sensational catches of the season. The catch retired the Critics.

Carrollton took an early lead in the second and retained it through the fifth. Boyer, Critic pitcher, looked as if he might be in trouble in the second when he walked two men and Volles singled into right field and scored Cunningham. Two pop-ups retired the side and the Beardstown pitcher had smooth sailing from there on out.

In the curtain raiser, the Squires and the Amvets, decided the city junior championship with a one-sided battle which saw the Squires pile up an impressive 14-3 lead in five innings. The game was called because of the rule which states if any team is 10 or more runs ahead at the end of the fifth, the game is called.

Earlier this year the Amvets had defeated the Squires by a one-run margin.

Wednesday night at 9 p. m. the Beardstown Critic Feeds team will play the powerful K. C. team. This important game will be played at 9 p. m. The curtain raiser, scheduled for 7:15 will be played between the league champion Squires and the Junior Moose. Both games are expected to attract a full house.

Former Whiz Kid To Coach Illinois High School

Indianapolis, Aug. 23.—(P)—Officials of the Indianapolis professional basketball team expressed surprise today when told Ken Menke plans to enter high school coaching.

The Indianapolis team, a new member of the Basketball Association of America, got Menke's contract two weeks ago as part of a player deal. But today Menke announced that he has signed to coach football, basketball and baseball at Corpus Christi high school, Galesburg, Ill.

Menke was one of the top scorers in the Western conference when he played with the University of Illinois "Whiz Kids."

Satchel Paige Learns Age, Pays Informer \$500

Cleveland, Aug. 23.—(P)—"I musta slept a year somewhere," Satchel Paige remarked today as he handed over a \$500 check to a Cleveland man who proved Ol' Satchmo had played professional baseball before 1927.

The Cleveland Indians' ageless Negro hurler was at least one year off in his calculations, because Carl Goetz produced a photostatic copy of a box score in the Memphis commercial appeal of May 17, 1926, showing a "Satchel" pitching for the Chattanooga black lookouts against the Memphis Red Sox.

Satchel made the \$500 offer in a story appearing in the Cleveland News three weeks ago.

After Satch saw the photostat he said:

"There's only one man can tell the real truth. That's Alex Herman, the man who signed me with Chattanooga. I'm going to ask him to tell me the real truth—even if it hurts."

Herman went back:

"It is true beyond all contradiction that I gave Satchel his first chance to play professional baseball. I was the owner of the Chattanooga Black Lookouts of the Southern Association. It was in April, 1926, that I carried him to Chattanooga for spring training. He enabled us to win the first half pennant."

Satch took one look at Herman's letter and said:

"Oh, oh, I musta slept a year somewhere. A \$500 year. Get that man and I'll pay off."

Goetz met Satch in Tribe President Bill Veech's office today and got the check.

"This is my biggest thrill," said Goetz. "I've been nervous and shaky ever since Satch admitted I had him cornered."

SLUMP IN GRAINS CONTINUES; ALL CONTRACTS LOWER

Chicago, Aug. 23.—(P)—The slump in grains continued on the board of trade today. Practically everything moved lower, which was enough to mean new seasonal lows for a large number of contracts.

Prices dropped at the start on heavy selling. A rally then carried most quotations to around the previous close, corn even going ahead of Saturday's final prices. But the rally did not hold. In the last half hour prices fell back to new lows for the day.

Selling was attributed to belief the corn crop will swamp storage facilities, fears over possible revision of the parity-support level next year and doubts as to whether exports will be sufficiently large to maintain prices.

Receipts were wheat 78 cars corn 214, oats 45, soybeans 4.

Wheat closed 13-1/2 lower, September \$2.17-1/2, corn was 24-3/4 lower, September \$1.53-1/2, oats were 1 to 1 cent lower, September 70-71, rye was 21-21 lower, December \$1.65 1-4, and soybeans were 6 cents lower, November \$2.43.

All corn, all oats, all soybeans, all lard and May and July wheat reached new seasonal lows.

Olympic Purists Say Oust All Team Events

Paris, Aug. 23.—(P)—The Olympic purists, a little staggered by the scope and success of the first post-war games in England, think the show ought to be cut.

Among the leaders in this view—and there are many—is Marcel Reichel, a frenchman of many decorations for war service and a sportsman. He is the president of the French Sports Correspondents' Association by avocation, a technical writer on the automotive industry by profession.

Another is Roy McKelvie of the London Star, who, in his review of the games, decided there ought to be a stop to it somewhere. McKelvie's view is that sports which conduct world championship competition separately need not duplicate their efforts by holding Olympic competition as well.

Reichel says flatly that there are too many sports in the Olympic program and that something should be done about it before the 1952 games in Helsinki.

He would ditch yachting, shooting, water polo, basketball, soccer, equestrian stuff and some other Olympic business on the presently accepted program.

Reichel would keep the "human sports" and throw out all team efforts that depend on organization more than individual merit or any artificial locomotion or mechanical aids of any kind.

He would do away with the winter Olympics entirely.

The premier Olympic sports would

continue of course: track, swimming, boxing and wrestling because they are "traditional" and weight-lifting, which has not much popular appeal but has a great concentrated following.

Reichel hesitates to draw the line anywhere on the Olympic program as it exists now but he says team rowing could be eliminated without any loss, the equestrian prix des nations could be junked, field hockey (always won at the Olympics by India) could be done away with.

Moose And Dealers Take Monday Tilts

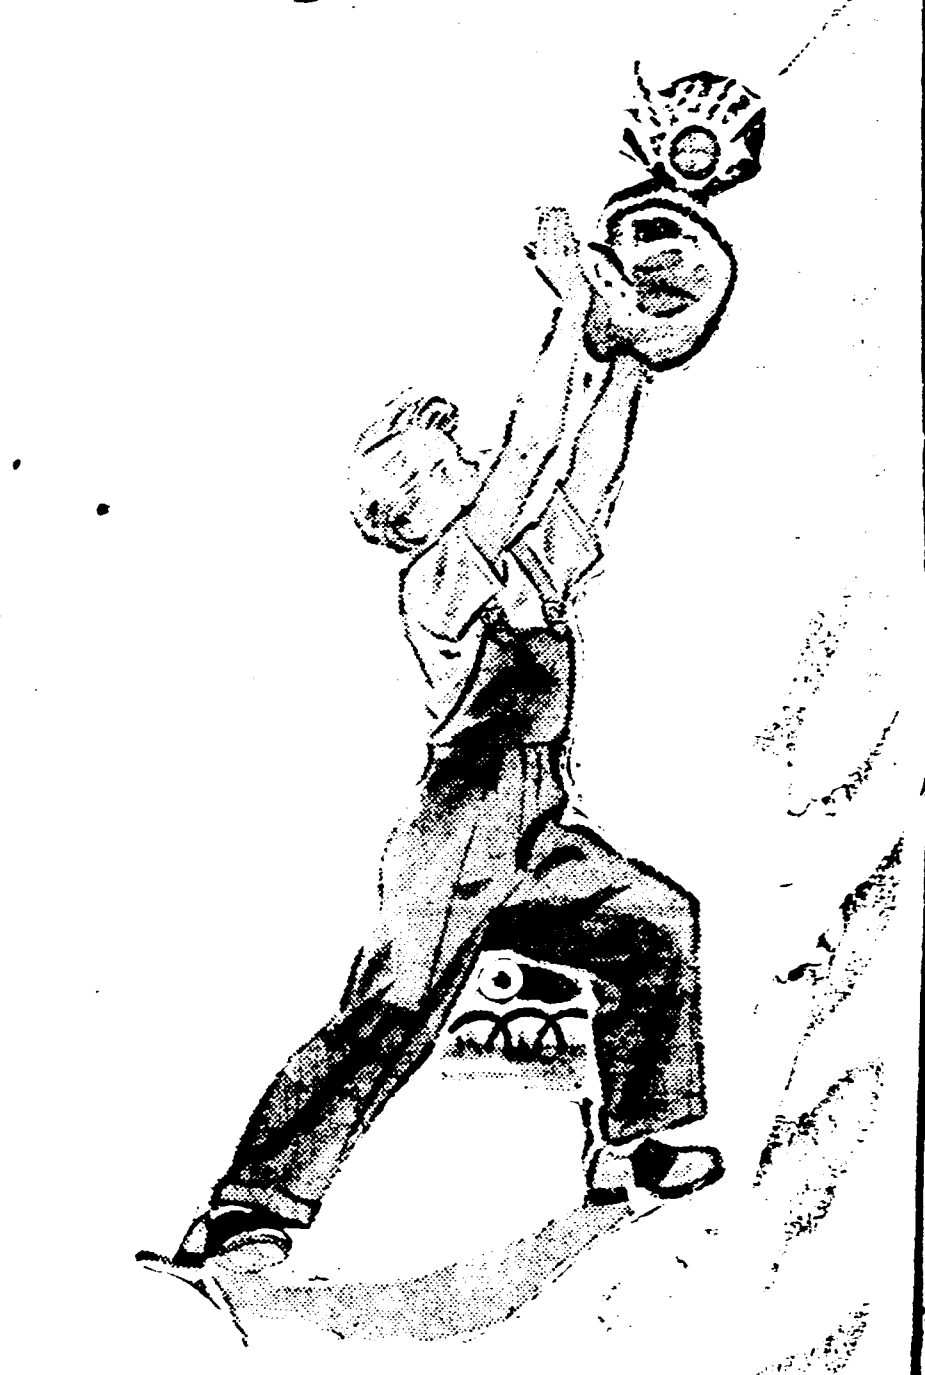

The Moose lodge softball nine annexed an easy win Monday night when they combined eight safeties with the ten errors offered to them by the New Method outfit. The final tally was 19-8, all in five innings.

In the second tilt the Implement Dealers nipped the Merchants by a 3-1 score. The game was protested, with Manager Dixon asserting the moundman was leaving the rubber improperly.

NOSE MAKES NEWS Brussels (AP)—Having lost his nose following an operation, Monsieur X of Brussels went to a plastic surgeon and ordered a new one. The new one had a splendid appearance but, he claimed, failed to fulfill its main function of enabling him to breathe normally. A court action against the surgeon failed, but the defendant promised to reimburse Monsieur X a part of the fees on condition that he returned the nose.

IT PAYS TO ADVERTISE

THE STORY: A mysterious locked room on the top floor of Nune Farthing, a rented country house, fascinated dreamy 17-year-old Sabrina. Father and Aunt Effie told her the room belongs to one of the owner's sons and they are not to have the use of it. Sabrina questions Mrs. Pilton, the housekeeper, who says the room is always kept locked when "he" is not at home. She evades Sabrina's request to be shown the room. Curiosity overpowers Sabrina and one fine day she manages to pick the lock.

It was a livable, used-looking, comfortable, self-contained room of majestic proportions, with nothing of the garret about it. It was essentially a private room, for he was a man who kept himself to himself.

It was L-shaped, for a wall had been knocked out between two smaller rooms. From the door you faced the large carved oak mantelpiece, with a modern chintz-covered chesterfield at right angles to it, and a smoking-table with a lamp and ashtray at its right hand. The wall on your left and the space either side of the mantelpiece were filled with open bookshelves. Opposite the chesterfield the wall, which ran the length of both rooms, had two casement windows opening above the garden to the south, with a cushioned window seat beneath each of them, and the ceiling, though high, revealed the slope of two gables. The big, practical knee-hole desk stood at an angle to the near window. This, with a couple of chintz armchairs and the low fireside hassock, made the living-room end.

In the L to your right was the other window, with a tall chest of drawers beyond. The bed, an enormous square without a footboard, covered with wine-colored velvet and heaped with dark silk cushions, stood with its head against the middle of the end wall, on one side of it a table with a reading-lamp and some books, on the other a door. Against the right-hand wall was a splendid mahogany wardrobe. There was a low chair under the casement window, and an old chest at the end of the bed. The rugs were soft, faded Persians. Sabrina was irresistibly drawn to the nearest bookcase. . . .

The fading of the short spring got too dim to be read without a light, reminded her that she would be missed from downstairs as tea time came on. She unfolded herself from the chesterfield, replaced the book on the shelf, and started hastily downstairs.

At the bottom of the upper flight Mrs. Pilton stood, her hand on the newest-post—waiting. Sabrina went scarlet, and caught at the bannister.

"You've been inside," said Mrs. Pilton.

"I'm afraid I picked the lock," confessed Sabrina. "With a hairpin and a button-hook."

"You knew I had a key," said the woman, immovable.

"I knew you wouldn't lend it to me," Sabrina hurried down the last few steps and laid an impulsive hand on Mrs. Pilton's sleeve.

"Please don't lock the door again!" she begged. "Please let me go in sometimes!"

"The woman looked down at her remotely, without smiling, and Sabrina took her hand off the black-clad arm and fell back a step.

"I—I'm sorry," she faltered. "I know it was wrong, but I—didn't mean to pry—" Her eyes filled with tears. "It's much the nicest room in the house," she added in her own defense, and turned away blindly.

"If you feel that way about it," the woman's quiet voice came after her, "I'll leave the door as it is."

Sabrina swung round incredulously to thank her and saw only Mrs. Pilton's back, receding towards the servants' stairs.

FOR several weeks Sabrina and Mrs. Pilton shared the secret between them. But an afternoon naturally had to come when Aunt Effie called and got no reply, went to Sabrina's room and found it empty, called again, urgently, and was answered at last by a very small voice from the top floor.

Aunt Effie was aghast. Leases were leases, and there was a clause. If the intrusion were known, they could be forced to leave the house. She stood halfway up the stairs, arguing, while Sabrina hung on to the bannister at the top, defending herself tearfully.

In the midst of it Mrs. Pilton's low-pitched voice came up to them from the passage.

"I don't think there'd be any objection," she was saying, "so long as she takes nothing out of the room."

"Did you know she had got into it?" demanded Aunt Effie.

"Yes, I knew," said the housekeeper.

"You should have told me at once," scolded Aunt Effie. "I could have put a stop to it."

Mrs. Pilton's eyes rested a moment on Sabrina's anxious face. "I was willing to take the responsibility," she said, and went away.

But Aunt Effie was not. She ordered Sabrina to close the door at once and come down.

Sabrina obeyed meekly, but the next afternoon while Aunt Effie drove into Wells for some shopping, Sabrina set her square little jaw and went back to the top floor room.

So, with Father still in ignorance, Aunt Effie deceived, and Mrs. Pilton looking the other way, her visits to the secret sanctuary continued, until she knew the room and its visible contents by heart. Sometimes it almost seemed as though she knew its owner, too. Sometimes it was almost as though he himself was there in the room—waiting for her to come back to him.

Waverly Bride

MRS. CARL ROSS

Miss Shirley Hickman, daughter of Mrs. Pearl Hickman, and Carl Ross, son of Mr. and Mrs. Homer Ross, both of Waverly, were married August 20th at the Baptist church in Hannibal, Missouri. Ceremonies were performed by Rev. William J. Herford. The couple was unattended.

Mrs. Ross was the valedictorian of the class of 1948 of Waverly high school.

The couple will reside on a farm southeast of Waverly.

Woman Struck By Stray Bullet On Hardin Avenue

Mrs. Basil Ketter, 234 Hardin avenue, was struck in the left side, and slightly injured by a stray bullet Sunday evening about 8:55 o'clock.

The missile, believed to have been a .22 calibre bullet from a rifle, inflicted a small bruise on Mrs. Ketter. The fact that she was not seriously injured was due to the fact that the momentum of the bullet was almost spent.

Another bullet is reported to have struck a house directly south of the Ketter home.

Patrolman Francis Wilmer went to the vicinity and made a search of several blocks, but did not find the source of the stray shots.

The board of community unit school district, No. 27, has announced that the Arenzville and Meredosia schools will not open until Tuesday, Sept. 7, due to incomplete repairs to the buildings of the two schools. All other schools in the district, including the six rural schools, will begin according to schedule on Wednesday morning, Sept. 1.

The occasion for the delay was augmented by last week's resignation of Superintendent Ralph VanOrmer, who has been engaged as superintendent of the Plymouth schools, with its 10 consolidated grade districts.

Homer Dahman Appointed

The board of education has accepted Mr. VanOrmer's resignation. Homer Dahman, a member of the Arenzville high school for the past 18 years, will take over the superintendency until a successor can be secured.

All other vacancies in the unit have been filled, with the exception of two music teachers needed at Chapin and Arenzville.

Major repairs have been completed in the Arenzville building, Chapin grade school, and the Meredosia grade school. All buildings have received considerable improvements to accommodate the additional students.

Many New Courses

The curriculum has been broadened, with courses started in agriculture in the Chapin and Arenzville high schools. A new home economics department has been added at Meredosia, with Miss Bonnie Lee Smith secured as the instructor. All elementary students will have art courses under the supervision of Mrs. Nellie Peak, who will serve as art supervisor for all schools in the district.

Five additional buses and two carry-alls have been added to provide better transportation for all students. Two will operate out of Arenzville, two at Meredosia, two at Chapin, and one at Concord.

All elementary students will be able to rent their textbooks on the opening day of school. These books will be uniform throughout the unit. The high schools will place their textbooks on a rental system as new editions are made.

Second Richest Unit

District No. 27 is the second most wealthy school unit district in the state, considering the per capita assessed valuation per student enrolled. It is also unusual because its territory and students are within three different counties: Cass, Morgan and Scott.

The superintendents and principals will include: A. Hunter Chapman, superintendent; Homer Dahman, acting superintendent of Arenzville schools; Alvin Heitbrink, principal, Arenzville grade school; Farrell McGinnis, principal, Concord grade school; Clifford Hess, principal, Chapin grade school; Charles Grigg, principal, Chapin high school; Walter Cook, principal, Meredosia grade school, and Wilfred Rice, principal, Meredosia high school.

Registrations are being held this week and August 30 in all schools. At this time, attendance areas and bus transportation will be explained to all students and parents.

Three persons narrowly missed death at 9:30 Monday when they were driving left the highway one mile west of the Morgan county line on Routes 54 and 36 and turned over several times. The new car, owned by the Muison Label company of Peoria, was demolished.

Robert Six and Garnett Weyl, employees of the Lindy Sign company witnessed the accident. They stated that the car left the road and went into the ditch. It rode the ditch for approximately 100 yards, the turned over when the driver, Willard M. Simpson, of Peoria, attempted to pull the car back onto the shoulder.

Mr. Simpson was accompanied by his wife and daughter, Dianne. The three were taken to Our Saviour's hospital by Dr. Weyl, where they were treated for minor cuts and bruises by Dr. Norris. They were released Monday afternoon.

The wrecked car was towed to Lukeman's garage.

The accident occurred near Riggston.

Mrs. Ida Keller, Formerly Of This City, Dies Sunday

Mrs. Ida Keller, a former resident of this city, died Sunday in St. Louis. She had made her home in that city with her son, Wellington Keller, since the death of her husband, George several years ago.

Born in Charleston on June 27, 1869, Mrs. Keller was the daughter of William and Nancy Vertrees Hodges. She was a member of Central Christian church.

Surviving besides her son are one daughter, Mrs. Edith Williamson, also of St. Louis, a sister, Mrs. Marcelle Craig of Jacksonville, and two grandchildren.

The funeral will be held at the Williamson Funeral Home here at 2 p.m. Tuesday with burial in Jacksonville cemetery.

Wilson-Rowe Families Have Reunion Sunday

Glasgow—The annual Wilson-Rowe family reunion was held Sunday, Aug. 22, in the basement of the Glasgow Baptist church. Thirty-seven families attended.

Following the basket dinner, a program of songs, music and talks was enjoyed. One interesting talk was given by Mrs. James Overton of Winchester, who told how while on a recent trip into Kentucky she contacted some family descendants.

Prizes were awarded the following: newest married couple, Mr. and Mrs. Dean Dyer of White Hall; largest family attending, the Thomas Wilson family with 17 members present; door prize, Mrs. Laura Pfenniger, Alsey.

During the business session the following officers were elected for the coming year: president, Jess Beasley; Pearl; first vice-president, Mrs. Mettie West, Winchester; second vice-president, Lloyd Loveland, Patterson; third vice-president, Burley Lovelace, Patterson; secretary and treasurer, Mrs. Everette Hester, Glasgow. Appointed to the program committee were Mrs. Helen Wilson of Roodhouse and Mrs. Claude Sherman of Glasgow.

The benediction was given by Mrs. Harry Young.

Chandlerville Ladies Honor Mrs. Vera Rogers

Chandlerville—The Ladies Birthday Club met at the home of Mrs. Hattie Ray in honor of her birthday and Mrs. Vera Rogers, Thursday afternoon. The meeting was opened by song and scripture reading.

Minutes were read and roll call was answered with thirteen members and two visitors present. Contests were held, refreshments were served by the hostess.

The W.C.T.U. will meet Wednesday, August 25, at 2 p.m. at the Methodist church for their annual meeting. Reports will be given, and there will be an election of officers for the coming year.

Members of the C.S.C. of the Congregational church will meet at the church parlors Thursday afternoon, August 26. Mrs. Luther Warner and Mrs. Harry Watkins are hostesses.

Court Martial Board Finds Potter Guilty On Five Fraud Counts

Great Lakes, Ill., August 23—(AP)—Capt. Howard P. Potter, USNR, was found guilty today on five of 27 navy charges that he fraudulently obtained money from the State of Illinois while on active naval duty.

Potter's sentence will not be pronounced until the seven-man court martial's findings have been reviewed by Rear Adm. J. Cary Jones, commandant of the Ninth Naval District and the navy judge advocate general in Washington.

Motorecycle Hits Residence; Young Rider Scratched

A motorcycle ridden by Jerald Edwards, 17 year old Alton youth, jumped the curb and crashed against the home of Ernest Pires, 308 Hardin avenue, at 7:27 o'clock Monday morning.

Edwards, whose home is at 774 Park Drive in Alton, escaped with scratches on his face and forehead. His Harley Davidson motorcycle was badly battered.

The Pires home also came in for some damage, including a downspout and shingle siding.

The Alton youth told Lieut. Howard Stout and Patrolmen Woods and Campbell that he was riding south on Hardin avenue when he attempted to make a turn and the motorcycle got out of control.

County's Share Of Motor Fuel Tax Shows Gain

Morgan county and the municipality of Jacksonville received \$58,701 in allotments from Illinois state gasoline taxes in the first six months of 1948, compared with \$50,803 in the same period of 1947, according to a statistical analysis prepared by Barcus, Kindred & Company, specialists in Illinois municipal bonds. This was an increase of \$7,898.

The increase was due to steadily rising gasoline consumption which boosted motor fuel taxes, the financial firm declared.

Morgan county proper received \$36,064 in allotments in the first six months of 1948, a gain of \$5,272. Jacksonville received \$22,637, in increase of \$2,626.

For Illinois as a whole, allotments to counties and cities from gas tax receipts in the first six months of 1948 totaled \$14,240,358, compared with \$12,508,848 the year before, a rise of \$1,731,510.

"If the present rate of gain in allotment payments continues," says a statement by Barcus, Kindred & Company, "total 1948 distributions to Illinois counties and municipalities will reach an all-time high. The funds thus made available are an important revenue source to communities receiving them. The money helps meet the bill for needed street and highway repairs. Without such allotments, additional local taxes would have to be levied."
